Deputy Headteacher: Mrs. Jackie Johnstone, B.Ed Hons

July 2017

To whom it may concern,

Mr Kolimechkov has been involved with St Edmund's Primary School since November 2013. From September 2015 he has worked as a volunteer at St Edmunds, one morning each week during term time. During this period, he has provided physical education support for the PE lessons I lead with various year groups (1-6). I have found him to always be punctual, professional and very helpful. He has an excellent knowledge of a variety of sports in which he confidently shares with the pupils he supports. Mr Kolimechkov is a particularly good role model to the children of this school as he is well presented, smartly dressed and always attentive to the pupil's individual needs and abilities. He has excellent communication skills with the other members of staff and has considerable knowledge of health and safety procedures in PE.

Mr Kolimechkov has also led a number of specialised gymnastics sessions for both the more able and lower ability children at St Edmunds. He has been able to differentiate his lessons to ensure all the pupils both enjoy and achieve his intended objectives. In addition, during this academic year (from November 2016 to January 2017) Mr Kolimechkov conducted a nutrition and physical fitness test (as part of his Phd) involving sixty pupils from St Edmunds and has generously shared the results/findings with me. I have used this information to feed back to the class teachers and also to improve the planning of my own PE lessons in relation to the pupils who participated in this study.

Even though Mr Kolimechkov is working in a volunteer role, his commitment has never been in doubt and we feel very fortunate to have had his support at St Edmunds these past years. Myself and all the staff at St Edmunds wish him the best of luck with his future goals and studies and are very grateful for all the work he has done for us.

Mr Silva

PE and Science Leader
